

PRESS RELEASE

Invitation to GEA Press Conference during ACHEMA 2018: Collaboration Facilitates Continuous Manufacturing

Dear ladies and gentlemen,

during the upcoming ACHEMA trade show in Frankfurt, Germany, GEA will host a joint press conference with other key suppliers to the pharmaceutical sector to highlight a number of industry collaborations that are helping to facilitate the uptake of continuous manufacturing (CM) technology in the drug production sector. GEA invites you to this press event and proudly presents representatives of these collaboration partners such as Accenture, Leistritz, MG2, Perceptive Engineering, RCPE and Siemens.

Date: June 12 (Tuesday), 2018, 11 - 12 am

ACHEMA Trade Show, Frankfurt, Germany, Hall 4, Stand F46

For our organization, please confirm your participation. My contact is:

Dr. Michael Golek

About GEA

GEA is one of the largest suppliers for the food processing industry and a wide range of other industries that generated consolidated revenues of approximately EUR 4.6 billion in 2017. The international technology group focuses on process technology, components and sustainable energy solutions for sophisticated production processes in various end-user markets. The group generates around 70 percent of its revenue in the food and beverages sector that enjoys long-term sustainable growth. As of December 31, 2017, the company employed almost 18,000 people worldwide. GEA is a market and technology leader in its business areas. The company is listed on the German MDAX (G1A, WKN 660 200). In addition, GEA's stock is included in the MSCI Global Sustainability Indexes. Further information is available on the Internet at gea.com.

If you do not want to receive any further information from GEA, please send an email to pr@gea.com.
