

NCF 52" Panel Fan

Heavy duty, extremely efficient fan
for quiet dairy barn ventilation

Your best option for performance and efficiency

NCF 52" six-blade belt drive panel fans — quiet and extremely durable operation.

NCF 52" fans meet efficiency requirements — for almost all electric utility rebate programs, saving you even more money!

High capacity fan — fan placement up to 50 ft. apart with air speed of 5 to 8 mph.

Built for longevity — galvanized frame and venturi, heavy-gauge powder coated steel blades with a cast aluminum pulley.

Rotary belt tensioner — requires less maintenance and extends belt life.
