Invitation to Interpack 2017

We cordially invite you to the world's leading trade fair for the processing and packaging industry which will take place from May 4–10 in Düsseldorf, Germany. Hall 7A. Stand B09.

Packed with Inspiration

Visitors to the GEA stand will not only get to see the latest food innovations at Interpack, we will be exhibiting beyond the food packaging industry and displaying process equipment and solutions for the bakery, confectionery, dairy, beverage, and pharma sectors.

Plus, company experts will be on hand throughout the event to discuss the optimal solution for your specific project or application, walk you through our process lines and demonstrations, and answer any questions you might have about our products and services.

GEA is widely recognized as a market leader in many fields of business. We are renowned for our experience, expertise and innovation and, invigorated by the dedication of our employees, we design, test and develop our core technologies to provide the widest range of solutions and after-sales service in the market.

For more information and day tickets please visit gea.com/interpack or contact your local GEA representative.
