1. **Scope of Supply:**

1.1 Contractor's works shall be limited to the Scope of Supply. The Purchaser shall be responsible for the Purchaser Scope.

2. **Site Services:**

2.1 If Site Services are included in the Scope of Supply, Purchaser shall ensure that Contractor has safe and appropriate access to the Site at all times required by Contractor. Any failure by Purchaser to perform this obligation and any failure as regards readiness of the civil works or equipment outside the Scope of Supply at the Site will entitle Contractor to suspend its Site Services upon written notification thereof, stating which civil or other works are delaying, disrupting, hindering or obstructing Purchaser's works and/or Site Services.

2.2 Under no circumstances will Contractor be responsible for the acts and/or omissions of any other contractor or person provided or made available by Purchaser or for any works or equipment supplied by them, either by way of a deemed employer or otherwise, or for their payment, welfare, provision of safety equipment or safe means of working, or for their work, productivity or workmanship. Purchaser shall be solely responsible for any failure of such persons or contractors to strictly comply with the instructions and requirements of Contractor. Purchaser shall indemnify, defend and hold Contractor harmless from any resulting claims and liability for loss or damage to any property or for personal injury or death in any way arising out of the acts or omissions of any such persons and contractors, save in each case to the extent directly caused by the negligence of Contractor.

3. **Payment:**

3.1 Unless otherwise expressly stated in the Contractor's Offer or Contract, payment of the Contract Price by the Purchaser shall be as follows:

In case of Contract Price below 80.000,00 Swiss Franc (CHF): 100 % of the Contract Price upon delivery of the Scope of Supply;  
in case of Contract Price equal or exceeding 80.000,00 Swiss Franc (CHF): 50 % advance payment upon effectiveness of Contract and 50 % upon delivery of the Scope of Supply.

All payments are to be made by electronic transfer, net cash without any deduction, in Swiss Franc (CHF) unless a different currency is stated in the Contractor's Offer and within 14 days of the date of Contractor's applicable invoice.

3.2 Purchaser shall have no right of set-off or right to make any form of withholding or retention against any payment of the Contract Price. The Contractor shall have no obligation to commence any Scope of Supply until the first instalment of the Contract Price has been received by the Contractor.

3.3 If any payment is not received by the applicable date for payment, Contractor shall be entitled to interest thereon at one per cent (1%) per month and pro rata for any part thereof, without formal demand being made. In addition and upon 7 days' written notice to that effect, Contractor may suspend all or part of its performance under the Contract until the payment and any due interest is received in full. If any payment has still not been received in full by Contractor 21 days after the applicable due date, then, irrespective of whether or not Contractor has commenced any portion of the Scope of Supply and/or suspended its works, Contractor shall be entitled by written notice with immediate effect to terminate the Contract.

3.4 Should Contractor learn about circumstances – having occurred after submission of the Contractor's Offer / signing of the Contract, or existing previously but without Contractor's knowledge – which may jeopardize Contractor's payment titles, including but not limited to, a material adverse change of Purchaser's financial situation – then Contractor may request Purchaser to provide sufficient securities or to insist on partial or full upfront payments. Alternatively, in such cases, and in addition to Clause 3.3., Contractor may insist to consider the entire Contract Price (and any other sum that may be at stake) as immediately due and to insist on full payment within an appropriate delay, together with an announcement, at Contractor's sole discretion, of contract withdrawal and/or damage claims, or, again at Contractor's sole discretion, to request Purchaser to immediately pay a conventional fine of ten per cent (50%) of the entire Contract Price, irrespective of Purchaser's negligence.

4. **Taxes:**

4.1 The Contract Price and any other amounts to be paid to Contractor are exclusive of, and Purchaser shall be responsible for, all duties, taxes (including value added, sales, use, business, excise or withholding taxes), assessments or charges of any kind, except to the extent any taxes or other charges that are assessed on the profits of Contractor or which under the applicable Incoterm relating to delivery of the Scope of Supply are payable by the Contractor. If any duties, taxes, assessments or charges are imposed on Contractor by authorities in the country where the Scope of Supply will be installed in connection with any Site Services and/or in connection with the Contract itself, Purchaser shall reimburse Contractor all such amounts. Where the Purchaser is obliged by applicable law to make a deduction from any payment due to the Contractor in relation to any such duties, taxes, assessments or charges, the Purchaser shall increase the payment to be made such that the net payment received by the Contractor is without any such deduction.

5. **Delivery / Risk of Loss / Delays:**

5.1 Contractor shall deliver the Scope of Supply according to the applicable Incoterms by the date specified in the Schedule. If no Incoterm is stipulated, delivery shall be Ex Works manufacturer plant as specified by Contractor. If no manufacturer plant is specified, then delivery shall be Ex Works Contractor's premises. In case the respective stipulated Incoterm obliges Contractor to perform any import formalities for the import into the country of delivery, Purchaser at its cost is obliged to support Contractor in any way reasonably required by Contractor. Any delay (other than a delay by Contractor) in completion of import formalities shall be an event entitling the Contractor to an extension of time and compensation of Costs.

**[Translation from German]**

- 5.2 Transfer of risk of loss and damage to the Scope of Supply shall be in accordance with the stipulated Incoterm applicable at the date of Contractor's Offer. The inclusion of any Site Services within the Contractor's Scope of Supply shall not alter this transfer of risk of loss and damage and shall not create any assumption by Contractor of any form of care, custody and control over any Purchaser Scope and/or the Site.
- 5.3 Statements of packing, measurements and gross weight are an approximate guide and not binding on Contractor.
- 5.4 Upon delivery or the provision of any Scope of Supply, Purchaser will inspect the relevant Scope of Supply and promptly (but in no event more than 7 days) inform Contractor in writing of any Defect under Clause 7.1.1. Contractor will thereupon remedy any such Defect upon Contractor's confirmation in writing.

Contractor shall give written notice to Purchaser of any event giving it an entitlement under this Clause within a reasonable time after becoming aware of the event.
- 5.6 If Contractor is more than 14 days late in delivering the Scope of Supply according to the applicable Incoterms for reasons attributable to the fault of Contractor (and not for any reasons attributable in whole or in part to Purchaser), Purchaser shall be entitled to liquidated damages (and not a penalty) in an amount equal to 0.1 % of the portion of the Contract Price attributable to the value of the delayed portion of the Scope of Supply for each full week (corresponding to 7 consecutive days) of delay up to an overall aggregate maximum delay liquidated damages of 2 % of the Contract Price, provided Purchaser has given at least one week advance written notice of its intention to claim such liquidated damages. Such liquidated damages shall not be due where Contractor has failed to deliver only minor portions of the Scope of Supply or where Purchaser has not incurred any resulting loss or damage. Payment of the liquidated damages shall constitute full and complete satisfaction of any claim of Purchaser, and Purchaser's sole and exclusive remedy, against Contractor arising from or in connection with any delay of the Contractor. Any and all other claims for delay or late performance, including any delay in meeting any intermediate or other dates or milestones, shall be excluded.
- 5.7 Each party shall be released from the performance of its obligations under the Contract to the extent such performance is delayed, disrupted, hindered or obstructed by Force Majeure. A party shall give written notice of the occurrence of any Force Majeure within 14 days of becoming aware of its occurrence.
6. **Ownership:**

Rectification of a Defect under Clause 7.1.1 relating to equipment and materials included in the Scope of Supply shall be by way of repair or replacement, at the Contractor's option, of the relevant part of the equipment or materials that is defective. Rectification of a Defect under Clause 7.1.1 relating to Site Services and documentation included in the Scope of Supply shall be by way of re-performance by Contractor of the relevant part of the Site Service or documentation that is defective. Contractor at its sole discretion shall be entitled to conduct at least three attempts of remedial actions. Purchaser shall in each case give Contractor all necessary and safe access to and possession of the Site. Any replacement parts shall be delivered according to the same delivery (Incoterms) terms as specified in the Contract. - 7.2 **Disclaimer and Limitations**
- 7.2.1 To the fullest extent permitted by applicable law, (i) Contractor hereby excludes and disclaims all conditions, warranties, guarantees and representations that are not expressly set out in Clauses 7.1 above or which are implied, statutory, customary or otherwise and which, but for this exclusion and disclaimer,
